Understanding the Threat: Who Are Online Predators?

Before exploring the methods to catch a predator, it’s essential to understand who these individuals are and what motivates their actions.

Profiles and Motivations

Online predators are typically individuals who seek to exploit others for sexual gratification, often targeting minors. Their profiles may vary from seemingly benign to overtly malicious. Common profiles include:

1. The Groomer: Builds emotional connections over time to manipulate and normalize abusive behavior.

They often impersonate minors or young adults, creating fake profiles to lure victims.

Recognizing the Signs and Risks
