Known for their strict observance of purity laws, communal living, and ascetic practices, the Essenes emphasized spiritual discipline, prayer, and a deep sense of divine purpose.

The Revelation of the Gospel of Peace

The Essene Gospel of Peace was purportedly transmitted through mystical visions and spiritual channels rather than written by a single author. It was first published in the early 20th century, attributed to an anonymous source claiming to have access to ancient Essene manuscripts. The texts gained popularity among alternative health advocates, spiritualists, and those interested in esoteric Christianity because of their emphasis on natural healing and divine harmony.
