Berea Technical College is renowned for its commitment to accessible education and affordability. Unlike many private institutions, Berea emphasizes minimal costs, often incorporating comprehensive fee structures that aim to reduce financial barriers. To fully grasp the financial landscape, it is important to distinguish between tuition fees, mandatory charges, and optional expenses.

## Tuition Fees

Tuition fees constitute the core cost of attending Berea Technical College. As of the latest academic cycle, the college charges: - In-State Students: Approximately $3,000 per academic year for a full-time course load. - Out-of-State Students: Slightly higher, around $3,500 annually, reflecting standard practices across many institutions. These figures are indicative and can vary depending on the specific program or course enrollment status. What does this include? The tuition fee generally covers instruction, access to labs and facilities, and some foundational learning materials. It does not, however, include all expenses associated with education.

## Mandatory Fees

Beyond tuition, Berea Technical College assesses several mandatory fees to cover administrative costs, technology, health services, and other essential services. These typically include: - Registration Fee: Approximately $100 per semester, covering administrative processing. - Student Activity Fee: Around $50 per semester, funding student clubs, events, and campus activities. - Library and Technology Fee: Approximately $75 per semester, supporting library resources and technological infrastructure. - Health Services Fee: About $50 per semester, granting access to on-campus health services. - Laboratory and Program Fees: Vary depending on the program; for example, technical trade programs may have lab fees ranging from $200 to $500 per semester.
