Power of God

Guillermo Maldonado emphasizes that the supernatural power of God is not merely a concept of faith but an active force that believers can access through relationship, obedience, and prayer. This power is rooted in the biblical understanding of God's omnipotence, His ability to perform the impossible, and His desire to manifest His glory on earth.

Biblical Foundations of God's Supernatural Power

To grasp the true extent of God's supernatural power, Maldonado highlights key biblical passages:

Maldonado explains that these scriptures reveal a consistent pattern: God's power is available to His people to accomplish His divine purposes.
