Historical and Cultural Context

The Feudal System in Pakistan

Pakistan’s socio-political landscape has long been influenced by a feudal structure, particularly in Punjab, where large landholdings and hereditary power dominate rural life. Feudal lords, or "waderas," wield significant influence over local populations and political processes, often

maintaining control through patronage, violence, and social dominance. In "My Feudal Lord," Durrani’s account reveals how this system sustains inequality and suppresses dissent, especially among women and marginalized groups. The feudal hierarchy is depicted as deeply entrenched, resistant to change, and often abusive.

Political Landscape During the 20th Century

The period during which Khar and Durrani’s relationship unfolds was marked by political turbulence in Pakistan. The country experienced military coups, shifting alliances, and power struggles among political dynasties. Khar himself was a prominent figure, associated with the Pakistan Peoples Party (PPP), and played a pivotal role in Pakistan’s political scene. This context is crucial for understanding the dynamics portrayed in the book. Khar’s political ambitions and the influence of feudal loyalties often intersected with personal relationships, shaping the narrative of power, control, and rebellion.
