Traditionally, these images were kept within law enforcement files, accessible only to authorized personnel. However, in the digital age, the dissemination of mugshots has expanded

dramatically. - Early 2000s: Introduction of online databases allowed public access to mugshots, initially as a tool to help communities stay informed. - 2010s: Increased use of social media platforms enabled law enforcement agencies and media outlets to share mugshots rapidly. - Today: Many jurisdictions have dedicated websites or partner with third-party services to publish mugshots of individuals wanted or recently arrested.
