Cultural and Political Landscape Roshar's societies are deeply intertwined with their environment. The Alethi, for example, emphasize martial prowess and honor, with a culture rooted in warfare and aristocracy. Meanwhile, other regions, such as the Azish, are governed by political intrigue and divine authority. The Knights Radiant, an ancient order, are the primary practitioners. - Spren: Sentient entities that embody natural forces or concepts. - Knights Radiant: Heroes bonded with spren, capable of using Surgebinding to perform extraordinary feats like healing, flight, or creating barriers. The magic's rules are defined and logical, emphasizing the importance of understanding and discipline. Soulcasting A subset of Surgebinding, soulcasting allows practitioners to transform materials—for example, turning stone into smoke or flesh into stone. It plays a crucial role in daily life and warfare.
