Copyright basics for PDF documents

Copyright law protects original works, including text, images, and designs found in PDF documents. When creating or distributing Drama Raina Telgemeier, it is important to understand who owns the rights and how the content may be used. Copyright applies automatically upon creation, even if no explicit notice is included.

Using copyrighted material without permission may result in legal consequences. This includes copying, redistributing, or modifying content beyond permitted use. Understanding copyright boundaries helps prevent unintentional violations.

Licensing and permitted use
