Structural Overview: How the Edition Is Organized

Layout and Design

The book is structured vertically, with each Hebrew biblical verse aligned with its corresponding English translation. The layout typically features:

2. A direct, word-for-word English translation beneath each Hebrew word.
3. The English translation of the verse at the end of each line, providing context.
4. Marginal notes and annotations explaining grammatical features, alternative translations, or textual variants.

This meticulous alignment allows readers to see the original Hebrew words in context, understand their meanings, and compare them directly with their English equivalents.
