Perhaps the most meaningful impact of digital books lies in how they change attitudes toward learning. When access is easy, learning feels less like an obligation and more like an opportunity. Curiosity is rewarded rather than delayed. Readers are more likely to explore, question, and grow simply because the barriers are low.

In the long term, this mindset supports lifelong learning. Knowledge is no longer something acquired once and set aside. It becomes a continuous process, shaped by changing interests, goals, and challenges. Having ***Death On The Nile*** available digitally supports this evolving journey.
